

ELCAS OVERVIEW

PROFESSIONAL

SCRUM TRAINING

PROUD SPONSORS OF OUR ARMED FORCES

We are proud to be a supporter of our Armed Forces in the United Kingdom. Whether you are an active or ex-serviceman or woman, thank you for your service.

This document highlights the offerings to those who have present or past military service and particularly those who have access to ELCAS credits available through the Ministry of Defence.

Who is Professional Scrum of interest to?

Simply, anyone who wants to learn how to improve their value delivery. Despite the name of the class, it is not just for Scrum Masters, Product Owners or other experienced professionals. Our classes support those who are interested in transitioning into Project or Product Management upon leaving the military, or those who are currently involved within it.

There is no requirement for any knowledge of product or software delivery prior to participating.

THE OFFERINGS CURRENTLY AVAILABLE THROUGH **ELCAS** ARE:

WHAT PACKAGES ARE AVAILABLE?

You can read more about the individual class content and assessments on their respective pages elsewhere on our website, however, the packages on offer for those using ELCAS are more comprehensive than listed to the public. Each package includes access to the Scrum.org accredited two-day class and the usual two attempts to pass the assessment, but also included in each purchase is:

- 1 hour of CV writing support or career coaching.
- A welcome package of study material and gifts.
- An Amazon voucher upon successfully passing your assessments.

Irrespective of how you intend to pay, you are eligible to attend any of our Professional Scrum Master, Professional Scrum Master II and Professional Scrum Product Owner classes that are available to the public.

HOW TO PROCEED

To proceed with your booking you will need to process your booking through the ELCAS portal. If you are looking to book using the bundle to maximise use of one ELCAS credit, you will need to select both classes and checkout. This will look a lot more expensive than listed above, however once you've checked out you simply need to contact your IRO stating that you have agreed the bundle above and to manually edit your ELCAS approval. Once you have

processed your booking, please contact us and we will register your place on your chosen dates.

If you are self-funding, please contact us explaining your situation and we will issue an invoice to you representing the above prices.

If you have any questions regarding ELCAS, our classes, or their relevance to you, please contact us and we will arrange a phone call to discuss further.

PARTNERED WITH THE FORCES TRANSITION GROUP

As part of our outreach to support service leavers in their transition, we are partnered with the Forces Transition Group and also the Gen Dit Network. These two organisations provide great support to those looking to move on from their military careers, in the form of networking with wider industry, CV workshops, social events, conferences and more. If you aren't familiar with either of these two excellent

organisations, please consider looking into them to see what they can offer you (and what you may be able to offer them). Our relationship takes the form of sponsorship and support to those looking to transition into Project Management and Product Management roles. This may be in the form of Scrum Master and Product Owner training, or helping leavers source a job.

BOOK A **FREE**, NO OBLIGATION **CONSULTATION**

If you have any questions regarding ELCAS, our classes, or their relevance to you, please contact us and we will arrange a phone call to discuss further.
